

ONYX Privacy Policy

Collection and Use of Personal Information

Personal Information refers to data that can be used to identify or contact a specific individual.

You may be asked to provide your personal information at any time when interacting with us.

Below are some examples of the types of personal information we collect and how we use this information.

Personal Information We Collect:

When you submit an application to the site, we collect your name, phone number, email address, and other types of information.

How We Use Your Personal Information:

The personal information we collect allows us to contact you and inform you about unique offers, promotions, and other activities like upcoming events. From time to time, we may use your personally identifiable information to send important notices and communications. We may also use your personal information for internal purposes such as audits, data analysis, and research to improve our services and to provide you with recommendations regarding our services. If you enter a sweepstakes, contest, or similar promotion, we may use the information you provide to administer those programs.

Disclosure of Information to Third Parties

We do not disclose any information we receive from you to third parties except in the following circumstances:

When required by law, in legal proceedings, and/or based on public inquiries or requests from government agencies to disclose your personal information. We may also disclose information about you if we determine that such disclosure is necessary or appropriate for security, law enforcement, or other public interest reasons. In the event of a reorganization, merger, or sale, we may transfer the personal information we've collected to our respective successor entity.

Protecting Your Personal Information

We take many precautions, such as administrative, technical, and physical measures, to protect your personal information from loss, theft, and misuse, as well as unauthorized access, disclosure, alteration, and destruction.

To ensure the security of your information, we communicate our privacy and security standards to our employees and strictly enforce privacy safeguards.
